Garfield Heights Dahlia Gardens

DAHLIA IMPORTERS

THE WINNERS!!!!

RUTHIE

This cactus dahlia was shown at the Mid West Show under code number 490. It is a true pink, with none of the usual shadings of other colors so common in so-called pink dahlias. It is an early and profuse bloomer that holds a perfect center right up until frost. RUTHIE won the ceramic award for the best seedling at the East Liverpool show and is on the Flower Grower Honor Roll.

Rooted cuttings	\$ 5.00
Plants	\$ 7.50
Roots	\$15.00

MARY KAY

A semi-cactus "B" size dahlia in the needed purple shade with white tips. Strong stems and insect-resistant foliage. This dahlia won the American Home Achievement medal at Toledo. It also won the best "B" at both the Mid West and Toledo shows.

Rooted cuttings	\$ 5.00
Plants	\$ 7.50
Roots	\$15.00

You are cordially invited to visit our garden during the growing season. We are just a short drive south of Route 17, south of Cleveland.

If you have any Dahlia problems, we will be glad to discuss them with you.

Be the first in your area to grow some of the new and different imports. Those we list have proved their worth in our climate. Space limitations have prohibited us from giving full descrip-

tions, but we assure you that each of our new imports has something special to offer.

We wish to thank the many dahlia growers who visited our gardens during the past growing season. We are sure that you noted many interesting varieties that you will wish to order for your 1954 garden.

We very carefully rogued all during the season and will propagate only those varieties that did especially well for us. We assure you that we dug clumps of only those we know will do well for you in your garden.

Our stock is all **clean** and varieties are guaranteed to be true to name. We will cheerfully replace any that are not.

For the first time, we have listed rooted cuttings only. We have found that they perform as well as plants. Our cuttings are all exceptionally well rooted. If received early, they should be potted up in light soil and carried through until planting time. If received after May 15th and your garden soil is ready, they may be planted directly in the ground; but **be sure** that a covering is placed over them to protect them from the sun for a few days.

We will send orders for **rooted cuttings** by parcel post, provided you enclose with your order 55c to cover the cost of special handling and/or special delivery.

In the event you really desire plants, these are available on all varieties where the cuttings are listed, at half again the price of the cuttings. In other words, where a rooted cutting is listed for \$1.00, the cost of the plant will be \$1.50.

Clumps are available on all varieties marked with an asterisk (*) at double the root price. However, **CLUMPS ARE ONLY AVAILABLE UNTIL MARCH 1st, 1954!** We regret that we cannot fill any orders for clumps after that date.

While we believe we will have sufficient stock of all varieties listed herein, there is always the possibility that we may be oversold on some special varieties. Please, therefore, place your order **early**. A small deposit will reserve your order and if you will specify a preferred shipping date, we will follow your instructions.

Rooted cuttings are ready about April 1st. Plants after May 1st. All orders for plants, roots and clumps will be shipped express at purchaser's expense, unless postage is forwarded with order.

BARGAIN COLLECTION!!!

**Twelve (12) roots of standard named varieties
all properly tagged, our selection...\$5.00 Net**

These are not discards, but are varieties of which we believe we have a surplus, or of which we do not have sufficient quantity to list. There will be many imports among them. While these roots will be strictly "our selection", in the event you wish to stipulate any particular size or type of dahlia, we will endeavor to include your preference in the SPECIAL DOZEN.

Join Your Local Dahlia Society

The programs and discussion of your local dahlia society will help you to grow better dahlias.

Join the American Dahlia Society

This national organization publishes an informative bulletin that no true dahlia fan should be without. A complete report of all dahlia shows across the country is available only in the AMERICAN DAHLIA SOCIETY BULLETIN.

DAHLIA SEED

Dahlia Seed is available at \$3.00 per 100 seeds. This is exactly the same seed used by Garfield Heights Dahlia Gardens to produce our Honor Roll Dahlias. Only a limited supply available, so order early.

Residents of Ohio must include the 3% sales tax with remittance.
